## THE VICTORY PLAN – SPEAKING PROGRAMS

**Presentations to awaken creativity, renew passion. and energize commitment!  
Any programs from either the Enterprise Catalog or Constellation Catalog can be  
presented under the Victory Plan**

### What Is The Victory Plan All About?

Presentations Galileo Professional Services, Inc. offers are a comfortable combination of humor and practical ready-to-use tools for conquering real life issues. We can address everything from overall corporate and business development issues to help companies and business owners become more successful, to individual professional development issues to help individuals become more motivated and successful.

### Who Needs It?

With a goal of providing **motivational education** and **inspiring real solutions**, Galileo Professional Services, Inc. specializes in working with **corporations, small businesses, trade organizations** and **individual professionals**. Whether you have a group of 5 or 500, and need a program for a meeting, convention, retreat or seminar, Galileo Professional Services, Inc. offers a multitude of programs that can be tailored specifically for your particular needs and environment.

Programs include, but are not limited to, *Essentials For Your Success, Motivation For The Procrastinator, Return On Relationship, Dancing On The Leaves, Stress Will Make You Stupid - How To Stay Smart, Staying Positively Charged In A Negative World, What You Think Is What You Get, and Eliminating Success Barriers*. We customize all of our programs to fit your organization's goals and culture as closely as if you created them yourself.

### What Are The Specific Benefits Of Our Programs?

The various seminar programs Galileo Professional Services offers provide the following benefits:

- **Inspiration** – we provide the tools and skills to build better communications and more efficiency – the foundations of any successful person.
- **Motivation** – attendees will gain valuable tools that will help them feel more empowered and motivated, which will not only bring more overall satisfaction and happiness, and will also bring higher productivity.
- **Valuable resources and real life support** – our training programs are tailored to your specific needs and provide valuable resources that you'll need to find more solutions and ideas for specific issues, including limited ongoing support for implementation.

### What Is Our Speaking All About?

Galileo Professional Services provides leading edge training solutions that are designed with proven techniques and valuable tools that get results. With a goal of providing motivational education and inspiring real solutions, training programs include, but are not limited to, Time Management, Communication, Organization, Project Management, Goal Setting & Achievement, Positive Thinking,

Relationships, Sales, Customer Service, and Successful Interviewing. We customize all of our programs to fit your company goals and culture as closely as if you created them yourself.
